The Perils of the Border.

(Cantiewed from Best page.) They thought, like their companion, that Michigan, and Mr. Pugh, of Ohio. nt would be safest if made fast to an

"Then make that possibility a certainty, and it shall be the best night's work you ever performed!" rejoined Eugene, in a

quick, excited tone.

"We'll do the best we can, Cap'n," was cisely what I deare. the response; "but no man can be sartin of Mr. Pugh-I not only say it is not re the current of this here crooked stream in a manded, but I would not vote for the bill if

slowly drifting down through a misty darkness impenstrable to the eye when, and House by their votes for the English swinoverhanging limb silently brush his face. - ed for as follows: He started, with an exclamation of alarm,

as sure as death. Then followed a scene of hurried and

auxious confusion, the voices of the three excited tones.

"Push off the bow!" cried one. "Quick! altogether, now! over with her!" shouted another.

"The de'ils in it! she's running aground also says: here on a muddy bottom!" almost yelled a "Kansas may come into the Union as

along against projecting bushes and overreaching limbs, and every moment getting more and more entangled; while the long poles and sweeps of the boatmen, as they attempted to push her off, were often plunged, without touching bottom, into what apthey were only extriented by such an outlay of strength as tended still more to draw the of its coming disolution. of strength as tended still more to draw the clumsy craft upon the bank they wished to avoid. At length, scarcely more than a minute from the first alarm, there was a kind of settling together, as it were, and the bank they wished to the English bill "will not allay agitation; and those who think that the Union is to be preserved by such instrumentalities, will only add another proof of the vanity of their bont became fast and immovable.

in his characteristic manner—who added, founded opinion, that "the Douglas defec-

now sent a strange thrill through every nerve; and hastening below, he found Blanche, fully dressed, with a light in her hand, standing just outside of her cabin, in the regular passage which led lengthwise the regular passage which led lengthwise through the centre of the boat.

with an accident, but not sufficient to fully vered in. comprehend its nature."

"Unfortunately about two hours ago," replied Eugene, "we suddenly became involved in a dense fog; and in spite of every preed in a dense fog; and in spite of every preed in a donse fog; and in spite of every precaution and care, we have run aground—it
may be on the Ohio shore—it may be
against an island—it is so dark we can't
teil. But be not alarmed, Miss Blanche."
he hurrilly added; "I trust we shall soon
be affoat again; though in any event, the
darknes is sufficient to conceal us from the
savages, even were they in the vicinity."

"I know little of Indians," returned
Blanches that I have always understood.

"It is not probable that any Territories

AYERS

Are curing the Sick to an extent nevebefore known of any Medicine. INVALIDS, READ AND JUDGE FOR YOURSELVES

JULES HAUEL, Esc., the well known perfainer, o. Chestinat street, Philadelphia, whose choice products are found at almost every toilet, says:

"I am happy to say of your Carmaric Pilas, that save found them a better family medicine for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them and colincide with use in believing that they possess extraord; many critices for driving out diseases and curing the sick. They are not only effectual but safe and pleasant to be taken, quantities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW, writes from Battmore, 15th April, 1851:

"Da. J. C. Arrax—Siv: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and fillions headache, which has of late years evertaken me in the spring. A few dones of your Pills cured me I have used "your Cherry Pectural many years in my family for coughs and colids with unfailing success. You make medicines which cure, and I feel it a pleasure to commend you for the good your have done and are doing."

JOHN P. BEATTY, Esq. Sec. of the Fenn. Railroad Co., says:

Co., says:

Co., says:

(Par. R. R. Offee, Philadelphia, Dec. 13, 18%).

"Fir: I take pleasure in adding my testimony to the efficery of your medicines, having derived very material beautif from the use of both your Pestoral and Catharia Pills. Lam never without them in my family, nor shall ever consent to be, while my means will procure them. "Having used your Cathartic Pitts in my practice, certify from experience, that floy are an invaluable purgative. In cases of disordered functions of the liver, causing leadache, indigestion, controllers, and the great variety of diseases that follow, they are a sure remedy is required, I confidently recommend these Fills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe, qualities which make them an invaluable article for public use. have for many years known your Cherry Fectoral as the feature.

Out can

"deton, Mc., Nos. 25, 1852.

"Ds. J. C. Arra-Dea" Fir: I have been afflicted from my birth with scrotula in its worst form, and now after iwenty years' trial, and an untold of amount of suffering, have been completely cared in a few weeks by your Pills. With what feelings of rejoicing I write, can only be imagined when you realize what I have suffered and how long.

"Nover until now have I been free from this leathsome fiestate in some shope. At times it attacked my year

days, conclines it came out in my face, and kept it for months a raw core.

"About nine weeks ago! commenced taking your Catharite Fills, and now an entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes nos feel already a new person.

"Hoping this statement may be the means of conveying information that whalf do good to others, I am, with every sentiment of gratitude, Yours, &c.,

"I have known the above named darts Ricker from her childhood, and her statement is strictly true.

ANDREW J. MESERVE.

Overseer of the Portmouth Manufacturing Co."

Carr, JOEL PRATT, of the ship Marion, writes from hoston, Sult April, 1854:

"Your Fills have cured me from a bilious attack which arose from decangement of the Liver, which had become very softons. I had failed of any relief by my Fhysician, and from every remody! could try, but a lew doses of your Fills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a freed for continuous, which had troubled him for manufact the best modeline in the world, and an from row and the failed of insuling the failed of the failed

Tou make the best modicine in new days they had expedite to any so."

Read that from the distinguished Solicitor of the Supreme Court, whose brilliant shiftles have made blin well known, not only in this but the heighboring States.

"Sir: I have great satisfaction in assuring you that my self and family have been very much bonefied by your medicines. My wife was cured two years since, of a severe and dengenous cough, by your Oragany Factoras, and since them has employed perfect height. My children have several times been cured from stracks of the influence and Croop by it. It is an invaluable remedy for these complaints. Your Oransarie Bus have entirely cured me from a dyspepsia and contivenes, which has grown upon me become years, —indeed the cure is much more important, from the fact that I had failed to get reheffern the best Physicians which this section of the country affords, and from any of the summons comedies I had taken.

"You seem to us, bector, like a providential blessing to our family, and you may well suppose we are not unmuch fat of it. Your respectfully.

"Senate Chamber, Oties, April 504, 1854.

"Be J. C. Ares—Honored Sc.: I have made a thorough trial of the Carnawire Priza, left me by your agent, and have been cured by them of the dreadful Rhenmations made which he found me suffering. The first done conteved me, and a few entherquent done have entirely roved the disease. I feel to butter health now thus its me years before, which I stiribute anaroly in the effects of your Carnawire Priza. Yours with great respect.
